

The Wonder of Eve

understand the power and strength created within the female body

The Wonder of Eve is a fresh and engaging presentation, helping young women understand how naturally amazing their bodies are and the impact their choices can have on their future health and fertility.

"Why didn't I know this years ago?"

We often hear this from our Natural Family Planning clients. **Even as a young woman, they wish they had known this about their bodies!**

The Wonder of Eve covers:

- the marvelous design and function of the female body and reproductive system/menstrual cycles
- a brief introduction to tracking cycles—a unique approach to women’s healthcare, no matter the stage in life
- ways to take good care of yourself now, to benefit you in the future.
